

Assignment Day 6 | 21st July 2020

For any doubts regarding the assignment, ask questions in the [Javascript Group](#) in the Community.

Submit the Assignment by **22nd July 2020 2:00 PM.**

Assignment Submit Form : <https://forms.gle/tmBTKNZsW1pmD4SQ8>

Question 1:

Write a program that will iterate over an array of colors and change the background of the page after 5 seconds.

Question 2:

Write a program that will display the multiplication table of a number on the webpage in a proper format. Take the input from the user.

Input - 5

Output - 5 x 1 = 5

5 x 2 = 10

and so on...

Question 3:

Make a webpage that will ask the name of the user. Then will display a welcome message on the webpage. Also the webpage should also have a clock.

Using the toggle method of classList add a dark mode feature to the website.
